

Special Diagnostics

Find your computer related problem

We will come to your home or business for FREE to diagnose your computer related problem and give you a solution, we will give you a cost to rectify or repair and if you go ahead with our recommendation there will be no charge for the diagnosis (saving you \$45.00).

Should you decide not to accept our recommendation at the time of inspection, there will be a cost of \$35.00 for finding the solution for you (Normally \$45.00).

However if you go ahead at a later date (within 30 days) the \$35.00 will be deducted from the cost of repairs.
